The following is a Letter I received from a Jewish scholar regarding his reasoned doubts of the Holocaust as presented by Jewry. With his permission to publish the Letter along with his full name, herein is presented a convincing refutation of the Holocaust Hoax.

+Brother Nathanael Kapner
I was born in New Haven, Connecticut in 1945 of two Jewish parents but am now a non-practicing Jew. As far as I can trace, all my ancestors are Jews.

I graduated Phi Beta Kappa in psychology from the University of Connecticut.

The claim that 6 million Jews died during World War II is wrong.

During the war period, before and shortly afterward, 5 million Jews went to Israel, and the Jewish population of North America increased from 4 million to 6 million.

Jews also went to Brazil, Argentina, Australia and other nations. This accounts for the decrease of 6 million Jews in Europe.

The world Jewish population was 15 million circa 1929 but it reached an estimated high of 18 million in 1989, an increase of 16%, which would have been impossible if 6 million Jews died in World War II.

The rabbi of my synagogue was Rabbi Andrew Klein who was a Hungarian Jew. He was interned in Auschwitz during World War II. His wife and 2 sons, Theodore and Lester, were interned in Bergen-Belsen.

One of the stories you hear about the nazis is that they killed all the Jews who could not work. But, Theodore and Lester were both children who could not work when they were at Bergen-Belsen but they were not killed.

Soon after the end of the war, there were a few different stories of how the nazis committed mass murder. One was that the victims were put in water and an electric current was sent through the water electrocuting the victims.

Another was that the victims were thrown in great fiery pits. Yet another was that the victims were driven in trucks which had their exhaust fumes channeled into the compartment in which the victims were placed, thereby killing them.

Finally, there is the story about the victims ‘taking showers’ in gas chambers which is the one claimed today. I take issue with this claim for the following reasons.

ZYKLON-B

ZYKLON-B WAS INVENTED in America, not Germany. It was first used in Texas to disinfect the clothing of Mexicans crossing the border.

In the German work camps, Zyklon-B was used to disinfect the clothing of the internees to stem the tide of typhus.

Perhaps you have heard the story that the internees were led into a room in which they were told that they would be given showers and then they were gassed to death.

In reality, the doors of a real gas chamber would have to be airtight and look something like an airplane door. Otherwise, the gas would seep out and kill those operating the gas chamber.

In employing a gas chamber for an execution of one person, (as it was once done in America), a method used was to have potassium nuggets dropped into sulfuric acid by a lever. This would result in the production of hydrogen cyanide which would kill the person being executed.
Before the doors of the gas chamber could be opened—post-execution—another gas, anhydrous ammonia, must be injected into the chamber to react with the poisonous gas to make it a less lethal resulting gas.

Even so, anhydrous ammonia being poisonous, it would react with the gas used and would have to be scrubbed away. All of this would have been a long, dangerous, inefficient and toilsome task for the nazis to destroy ‘millions’ using gas chambers.

If Hitler wanted to kill as many Jews as he could, he would have had them shot by machine guns and automatic rifles. This would have been the least expensive and quickest way to commit mass murder. And, tragically, there were many mass murders in World War II by soldiers using machine guns and automatic rifles.

But, I am only stating that the claim that Hitler committed a genocidal war against Jews is false. I am not defending Hitler. He started a war which caused the deaths of millions.

WIESEL

I FIRST READ Elie Wiesel’s “Night” when in it was an earlier publication.

In this early edition, Wiesel does not mention any gas chambers but states that mass murder was committed by throwing Jews of all ages into great fiery pits.

When I ask various Jews why did Wiesel not mention gas chambers if they existed, and, if great fiery pits were used to kill people, then why are people not talking about the great fiery pits now like people are always talking about the gas chambers?

The usual response is that the victims were killed by both methods and that Wiesel’s failure to mention gas chambers is not proof that the gas chambers for killing people did not exist. This answer is not convincing since Wiesel purports to be giving an eyewitness account.

Weasel (misspelling intentional...for the man is a deceiver and a sneak) wrote about the internees taking showers, being shaved of all body hair, and being covered with disinfectant which would be consistent with a program to prevent typhus and other diseases from killing the internees and not consistent with a program which wanted the internees to die.

In the earlier edition of "Night," Wiesel wrote that he had surgery on one of his feet at a “well equipped hospital” in Auschwitz before taken to other camps. In the newer editions of “Night” this has been changed to an "infirmary."

Yet, in both editions, he states that he was given two weeks off from work after his surgery which is inconsistent with the claim that all internees who could not work were killed.

Weasel wrote that while he was recuperating the Russians were approaching Auschwitz and the Germans knew that they could not hold out in Auschwitz any longer.
So, they offered all their internees who were in the hospital that they could decide whether to wait for the Russian soldiers to come or leave with the Germans. Wiesel decided to leave with the Germans who were supposedly committing genocide against the Jews instead of waiting for liberation by the Russians.

Perhaps, you have seen pictures of piles of dead and walking skeletons of a liberated concentration camp.

But, by the end of the war, all Germans were having difficulty feeding themselves.

Also, the American and British air forces were bombing all the railroad tracks making it impossible to bring sufficient quantities of food into the camps. So, America and Britain share most of the blame for the starvation in the camps at the end of the war.

Jews need to keep bringing up the Holocaust so they can extort billions of dollars from America and its most advanced weapons systems for their Zionist program in Israel.

Jews own and control America’s mainline media, so that they can control most everything Americans hear and see.

While Americans argue about what to do about medical care and how much it will cost, Israel has a much more generous medical care program for its citizens and does not need to worry about the costs because it’s paid for by tax-paying American citizens in the aid we give to Israel.

Dear Real Jew News Family -

Indeed, the Holocaust tale is a huge HOAX.

When I was growing up in the 1950’s the Encyclopedia Britannica published an Article by Jacob Markus, a Jewish historian, in their World War II entry.

That’s fantastic, but Robert Litoff is wrong in saying Hitler started the war.

Thank God for this ex-Jewish brother and gentleman. We salute you.

Canada has imprisoned Ernst Luntz for avowing there was no Holocaust with technical proof. Canadians authorities, husband being one but he knows truth, take note.

Then there is our own Australian German, Dr. Frederic Toben, who also bravely published the truth, having been imprisoned a few times in different countries. Australian Government, please heed.

Brother Nathaneal’s labors already had convinced multitudes. We trust many more eyes will be opened to this scourge on society and more important, its evil face that presents lies in Anglo-Saxon Churches.

It does seem, however, that many in England are presently waking to understand the truth about Jewry.

What a bunch of crap.

May be people should research a Dutch site were there is a lot of research regarding the Holocaust. And these people who are so sure that it did not exist, I bet they never talked to people who lost a lot of relatives in those camps.

Do people realize how many camps there were?

Go by country to country over Europe and see how many Jews each country lost and add it up. Why are people so concerned in which way the people were killed. Dead is dead.

No I am not Jewish, but had friends who lost family in those dreadful camps.

To me, after what happened to them how can they be so cruel to the Palestinian people. With Jews going to Israel for their military obligation, they don't give a hoot how they treat the Palestinians.

It is despicable how people's houses are bulldozed down for new houses for the Jews. Palestinians who lived there for hundreds of years.

People who just happen to have the Jewish religion thinking they have the right to kick people of their ancestral land, while they have nothing to do with the original Israelis of that area.

Listen how certain Jewish singers in Tel Aviv sing about Jesus and Mary, that's disgusting and nobody says a word.

With the actions of Israel people are getting disgusted with the Jewish population that's why you see the anti-Semitism growing.

The bad thing is that the good Jewish people have to suffer from that, too.

When I read a comment like from DIDGEVILAGE, I just think another dummy who really don't know what happened and most likely did not even live in Europe.

There are so many lies about wars, and people like to take what suits them for the truth.

With all the mess in the Middle East, Israel is just lucky they have not been attacked by their neighboring countries.

That's why they are armed to the teeth with American taxpayers money, and again they bombed Gaza and the west says nothing. Talk about an uneven fight. The biggest open air jail almost a concentration camp.
No say so over their lives. Restrictions with everything. Yes stone throwers are annoying but why are they doing it?

This whole world is in a mess, the greedy people are at work.

Just let’s hope no WWIII is in the making with all the tensions and killings in the Middle East, the Ukraine with its failure to pay Russia for its gas, trying to make Putin the evil man, who did an illegal coupe d’etat, not Russia.

Crimea did an election. Just like Syria.

China, Japan, Philippines over rights in the China Sea.

And the West fearful for returning fighters from Syria and Iraq, will they start havoc?

Then God help us all.

What a hateful world.

Everything is generally more complex than the average person can bring himself to understand. It is always intellectually easier and more emotionally satisfying to believe a black and white tale from one or other of the various competing points of view.

Much of what this non-practising Jewish person has said is demonstrably true, and has long been in the public record.

I am not sure what gives his testimony any special credibility; he is simply reiterating well-known facts.

And I feel that we should always beware of Jews, even allegedly non-practising ones, bearing gifts; these gifts are invariably poisoned chalices.

However, it does seem to be at least arguable that hundreds of thousands of Jews at a minimum were deliberately murdered by, not “The Nazis” as a defined group; but by “The Nazi” known as Heinrich Himmler.

This operation, known as “Reinhardt,” was restricted to four camps in the east of Poland, including Sobibor, Treblinka, and two others, and was defined by the mass shootings of Jews; exactly as the letter-writer says would be the appropriate way to address the perceived problem.

Many more were deliberately and indiscriminately shot by the Einsatzgruppen which followed the Wehrmachts into the east.

David Irving has a reputation as an anti-Semite; however, his work is based foursquare on the evidence revealed by intercepted German communications. He it is who outlines the scale of this operation; he it is who states categorically that Himmler was brutally beaten to death by the British when he surrendered to them at war’s end; it has to be assumed that this was done as some kind of revenge for what he himself had done.

I would strongly encourage everyone to listen to what Irving has to say about this matter.

@Caveman 2012
As I have said, these are complex issues and cannot be glibly treated of by anyone.

I have to say that I find DI to be a model of propriety, and his analysis of the probable underpinnings of these events to be highly plausible, and satisfyingly complex; appealing to common sense, with all that implies in terms of being sometimes better described as nonsense; and doing justice to a major event in human history by painting it in terms of black and white and grey, rather than the preferred option for most people, ie black and white.

The evidence for what he says is presented to the audience in terms of original documents which he has discovered, and which frequently still bear the original German military and police rubric; this evidence might be said to go against the prevailing notion in some quarters that there was no organized mass murder of the Jews; as such, Irving is telling a story which might be thought by some to undermine a position which he was always thought to have.

His testimony therefore, to me at least, bears the hallmarks of complete integrity in the face of the evidence.

The Jews are hated, and have always been hated; the evidence for their extermination in many countries and locations over the years cannot be realistically denied.

They themselves, of course, have been the primary instigators of this hatred, both because of what they believe that the Talmud tells them about themselves, and in terms of what they then go on to inflict onto the Gentile societies which surround and dwarf their own.
Indeed, their rabbis delight in this hatred and promote it, as by so doing, they think to preserve the unique genetic heritage of these people, and prevent their intercalation and eventual disappearance into Gentile society. Irving, to me at least, tells a story which rings entirely true, the obscuring passage of days has not prevented this truth from, at the very least, beginning to appear from the fog of a history which has been almost entirely rewritten by this most benighted of races.

VERY upset over this thing by the stereotypical LYING Jew, Robert Litoff.  
Can't Bro would post his article, because when it gets to him claiming he's not defending Hitler and accuses him of starting WW2, when ANYONE who reads and uses their BRAIN, knows full well that in 1933, JUDEA DECLARES WAR ON GERMANY.  
So who started the war? Wasn't Hitler. It was the Jews. But now here's Litoff claiming the Holocaust didn't happen, yet still blames Hitler for the war, when it very clearly, and factually proven, was the Jews who started it.  
The Balfour Declaration was written in WWI. They never got to see it fulfilled. This is why they made moves to create a second world war, so they could get that declaration which was as legit as a three dollar bill, passed, and Palestine GIVEN to the people who had no rights to claim it.  
If I have the time, I'll post a more complete version of events... but in the meantime I suggest people go LISTEN to the full speech given in 1961 at the Willard Hotel by Benjamin Freedman, the Jews claim he was a self hating Jew.  
Nothing could be further from the truth... but then since most Jews who push the holocaust that Litoff denounces, are liars themselves, it's not difficult to find out WHY they want to HIDE the truth.

The Jews did start the war by declaring war on Germany and organising a boycott of German goods in 1933, soon after Hitler was elected. This was in response to a National Socialist plan to remove Jews from office.  
So, the Jews were intered in camps for the same reason that Japanese were intered in American Camps - because they were enemy aliens. The Jewish supremacists are resposible for American and British involvement in regime change to create their Jew World Order today. Also, multi-culturalism to create a borderless, raceless, anti-Christ world which they can dominate easily.

Fagin states in his article that 500,000 Jews died in the Holocaust not 6 million. It is totally ridiculous to claim — with all the information and clarity available to us today — that Hitler and the Third Reich provoked and then started World War Two.

Such a viewpoint held today is pure dogma, and does not represent truth or scholarly history.

It is representative and typical of the lie factories that are Washington DC and New York City.

For heavens sake! One would have thought even the dumb would have learned by now that International Jewry declared war on Germany AND the German People, in March of 1933!!!

The Madison Square Gardens stadium was rented in order to whip up the fervour of New York City's Jews just for that purpose! Videos of this event have been circulating on the Web for well over 8 years.

Poland was the most provocative war-monger during the 1930s, just as it still is today, vis-a-vis the Ukraine and Russia. Go figure!

And as regards the commenter: @TimW ... he writes:

"Many more [Jews] were deliberately and indiscriminately shot by the Einsatzgruppen which followed the Wehrmacht into the east."

As so many have it these days, he only has it half correct.

The Einsatzgruppen certainly did kill (execute) a lot of Jews, but that was not their purpose. 'Jews' being shot dead was an incidental consequence of a far more noble policy.

These units followed the advance of the Wehrmacht to find and prosecute the inhuman perpetrators of the Holodomor, plus the many 'Jewish' scams that had been tormenting the Ukrainian (and Germanic) people for over a century.

The Einsatzgruppen targeted COMMUNISTS ... and NOT 'Jews' per se. But if most Communists were also 'Jews', then I guess that is too bad for the 'Jews'. Right? Correct? You agree?

The Germans, and especially the Prussians, knew far better than most what horrors had transpired in Russia after 1917. They knew who was providing the philosophical guidance and murderous policies that then shaped the Soviet Union.

They knew that internal organs had been ripped out of thousands of White Russians (following the Red's victory over the Whites) while they were still alive, in order to provoke fear, dread, and panic throughout the rest of the populace.

That is why the Third Reich created and then deployed the ... Einsatzgruppen der Sicherheitspolizei und des SD.

The Jews were very instrumental in starting WW2, in a multitude of ways.

One fact that is NEVER taught in Jewmerica schools is the real HOLOCAUST that was caused by Ashkenazi-Zionist Jews in Russia, resulting in the deaths of over 80 million!

This fact is hard to ignore when trying to understand why the Nazis could hate so much (they were just evil, or on methyl etc.). In 1918 stories of the atrocities in Russia were reaching western Europe, as were the Bolsheviks themselves.

In 1919 they basically "invaded" Bavaria, installing the "Bolshevik state of Bavaria" under the murderous Jew thug Tollefson. Over 10,000 were killed in the fighting. Only the German Frikorps could finally oust these Bolshevik murderers.

Do you know who lived in Bavaria and witnessed this Bolshevik barbarism 1st hand?? Goebbels, Joseph Streicher, and ADOLF HITLER. They knew, as did millions of Russian Christians, what these Bolshevik vermin were capable of.

Every Christian(and Torah Jew) Must read Solzynshin’s "The Gulag Archipelago" volumes 1- 4. Only when one understands what happened in Russia can one grasp the entirety of Pre-ww2 Europe.

Every American student knows the names of Hitler and Himmler etc..(and as a Christian, I can never condone their actions), but no American student has never even heard of Genrich Yagoda, Kaganovich etc., because they were Jews, and their quantity of murders made the Nazis look like choir boys.

@Richard

Quoting you, "VERY upset over this thing by the stereotypical LYING Jew, Robert Litoff."

Well, it’s certainly accurate to argue that Mr. Litoff has it totally wrong in blaming the start of WWII on Adolph Hitler when:

(1) International Jewry declared war on Germany in 1933 (probably mostly due to the fact that Germany, under Hitler, would not en-slavishly kowtow to Rothschild usurious banking) and

(2) when the German military had to take action in Poland in 1939, due to the Communists in Poland inflicting horrendous atrocity and brutality at the Germany population living there.

THEN, it was England and France, not Germany, who pressed for war after Hitler’s necessary military action in September of 1939 that brought security to the German people living in Poland.
I'll grant you the above, BUT Mr. Litoff has outlined an unconventional view of the so called Holocaust that is anything but standard mainstream propaganda. Here, he elucidates in a manner not at all stereotypically Jewish.

It is puzzling why he clings to the notion that Germany through Hitler started the war, when he knows full well that Germany through Hitler never engineered the systematic industrialized slaughter of 6 million Jews in gas chambers.

Did he miss some basic facts concerning the spawning of the war, or is he behaving yet like a typical conniving, manipulative Chosenite, knowing full well that Jewry, not Adolph Hitler, started WWII. The bottom line is that either he has made an honest mistake, or he is purposefully and cunningly lying.

I don't know the answer.

What is wrong with the world, Jews who are NO Jews at all, murder which was NO murder.

Auschwitz which was a camp for running the buna factory nearby, and where the Germans were producing (or trying) plutonium for a bomb and in the process used more electricity as Berlin in her heyday.

Lots of people emigrated to the workcamps so NOT to have to work, is leading to a big conclusion, are there only stupid donkeys running around, or is society a big fake in which "we" and special innocent RUS people (Russians, Belarussians, Oekrainers) pay the highest price for the greed and perversion of demons with a Jew outlook.

In that case its better that Jesus Christ is very soon coming and will bring justice to this world.

"Yet, in both editions, he states that he was given two weeks off from work after his surgery which is inconsistent with the claim that all internees who could not work were killed."

This statement made by Elie Weasel also doesn't make sense. Why would the "Nazis" operate on Weasel's feet?

Wouldn't it cheaper and less troublesome, even more efficient to just kill him and replace him with another expendable, slave-labor Jew who didn't require all the maintenance?

If you're into killing all the Jews why operate on their feet? Why not get rid of the pesky Jew and throw him in the "showers" or the "great firey pit?"

David Cole (a very intelligent Jewish gentleman) took samples from the walls of the alleged ‘gas chambers’ in several German/Polish labour camps, like Auschwitz. Not a trace of zyclon-b was detected on these wall samples.

So how many Jews actually died from hunger and tyfus (and other diseases), as a consequence of the bombing of Germany by the Allied forces? Some revisionist figure about 200,000 Jews total died in the labour camps.

The many Jewish holocaust monuments have to remind us all of the 6 million ‘murdered’ Jews. What to do with these monuments, turn them into monuments to remember the 60 million murdered (by the Jewish communists) Russian Christians?

And where are the many monuments to remember the 50/100 million Africans, murdered by Jewish slave traders, the main organisers of the African slave holocaust?

Not to mention the financial compensation which has yet to be paid by the Jewish community for the Russian, Chinese, and African victims.

The Jews are special indeed, they know how to hide their crimes.

Why do some people here get “all over” Mr. Litoff, when he doesn’t correctly state who started the war, etc.

Isn’t it enough that the man sticks out his neck in this politically correct society where saying the things he said could lead to his defamation?

Question: How many of those people posting here, would do the same thing Mr. Litoff did?

How many would risk anything to state would they believe to other people they know, at their jobs, or in other area’s of their lives, as Mr. Litoff did openly and especially Brother Nathanael?

It seems kind of petty to me to so easily knock people who risk so much already. Just my opinion.

Backing up the brave Mr. Litoff I would like to add my 2 cents.

The movie 'The Last Train To Auschwitz' made in, I believe in the world’s 2nd largest (by percent of total population) Jewish population country, Argentina, begins with a short shot of the CURRENT signs out side the visitor's center saying, "1 million, 6 hundred and 68 thousand Jews died here."
That's interesting since all during the Cold War, Jews claimed that of the 6 million Jews that died in Hitler's camps, 4.5 million were conveniently housed at Auschwitz BEHIND THE IRON CURTAIN!

So that means that now the maximum number killed would have to be something around 3.25 million. Auschwitz supposedly had gas chambers...a f**king lie! That lie was created by Joseph Stalin collaborating with the NY Times. Stalin's soldiers put up the showerheads connected to solid concrete - totally non-functional. But the NYT said that they were real so no more discussion is allowed.

Two brave people investigated those 'chambers'.

One, a 28 year old German chemist named Germain Rudolf who went to Auschwitz and took wall scrapings from the chambers, went home and made a solution from the wall scrapings...no poisonous residue of any kind! For this the new Zionist whores of the postwar German Government got this young man put in prison.

The second was an American who was called Dr. Death because of his work repairing electric chairs for the US prison system.

I have a copy of his video. His test was similar to Mr. Rudolf's but crushing interior fragments of the gas chamber rubble of chambers which were bulldosed.

His results were consistent with Mr. Rudolf's, but he was not imprisoned but harrassed by a series of enraged Jewish women who followed him everywhere and mad sure that he never worked in the US Prison system again.

So the ZIONISTS' got their revenge. Another interesting note: The Diary Of Anne Frank was a massive fraud also! On the internet was a credible story stating that her father, Mr. Frank, had his diary written by a professional writer...who never was paid by Mr. Frank as had been agreed upon.

More Jewish history has been exposed.

Now basically all Spain knows Tourquemada(sp?), the horrible Catholic Grand Inquisitor of the Spanish Inquisition was he, himself, a Jew convert! So dimwitted Christians would ask, well why would a Jew torture and kill his own people. THINK!

1) To put guilt on the Christian majority, thus neutralizing them even more that their Catholic Church had already done! Also to create what I call the Tourquemada diaspora...moving many out of Jewish dominated Spain in order to grow into and eventually dominate secretly other European countries.

Like Turkey which has been Jewish controlled for more than 100 years. Recently an old Turkish historian was on an on-line video saying that today's Turkey has three Jews as its top three generals!

And of course the Rothschilds and Rockefellers went via Turkey to Germany where the Rothschilds as what Europeans call Crypto-Jews were named Bauer, and the Rockefellers were named Rockenfielder. And others spread elsewhere similarly.

A similar psy-op was done during WW2 when the very Jewish Rothschilds lived comfortably in their Frankfort Palace ('I've walked past it - looks like a bomb-proofed factory all steel reinforced concrete cream colored with a rich sort of chocolate brown framing) ALL THROUGH Hitler's supposed reign of terror. Not all Jews were created equally, obviously!

Not only that, but Hitler's 2nd in command made reports to the Rothschilds in Frankfort regularly. So copying Tourquemada and his Jewish cohorts of old Spain they used not useful throwaway Jews in a gigantic psy-op in order to justify creating Israel which had been unceremoniously rejectly by the world right after WW1, thus the need for WW2!

Its even worse as I don't have time to go into the George H.W. Bush - George Scherf (NAZI - Jew working early in Germany for Hitler connection.

The Jews have had a general controlling influence over the Western and Mideastern world for thousands of years. Unending wars, endless attempts at creating a Moslem-Christian world war - just unending crap!

Christians and Moslems should be on the same side...but not allowed!

Maria said:

May be people should research a Dutch site were there is a lot of research regarding the Holocaust. And these people who are so sure that it did not exist, I bet they never talked to people who lost a lot of relatives in those camps.

—

Actually, I have.

A Jewish friend of mine lost a lot of relatives at Auschwitz, but the interesting thing is that they were all executed. Not disease. Not gassed. Anyway, it seems that the Zionist/Communist arm of the family mostly survived the camps, but the anti-Zionist/anti-Communist arm of the family mostly perished in the camps.

The Jewish guards and kapos were diabolical, apparently. Interesting, no?

My Jewish friend actually saw photos of his family members in the camp museum at Auschwitz. He says "the Holocaust" is a hoax even though he lost many family members in
That unfortunate episode. Of course, he’s too scared to say it in public. It takes a brave soul — “for fear of the Jews.”

Other relatives of his were in German POW camps and said the Germans treated them very well.

They are all too scared to write books about what really happened to them, but always said they should have. Sure the camps were unpleasant places, but at least they got lice treatment and food.

In Stalingrad, the German soldiers were covered in lice so thick the surgeons had to use a spatula to scrape them off before they could see to operate on the wounds. They got two slices of bread a day each, and that’s it. Compared to that, Auschwitz was survivable for many.

If we look at the facts, it appears that the Nazis were actually trying to wipe out Germans, not Jews. Who died in the camps - the weakest Jews. Who were sent on suicide missions - the best Germans!

So Maria, we are debating facts here. Please take your emotional arguments somewhere else. Thanks.

And as for your problem with anti-Semitism, it seems that the Goyim suffered mostly from that in WW2. It enabled Hitler. 100 million boys dead. A questionable number of Jews dead. Israel created.

The Goyish world was turned upside down and we might never recover.

Then there is the problem of guilt, which you seem to want to perpetuate. Germany is still paying reparations, and will be for another 100 years probably. And yet, hundreds of thousands of Jews and Israelis live in Berlin to this day. Why is that?

Nice job, loquendolaxe. Very nice.
International Jewry via their puppets WINSTON CHURCHILL and FRANKLIN ROOSEVELT were the warmongers who demanded World War Jew II.

Schwein Churchill LOVED war as those who have the courage to read and learn will discover. He and Franklin Rosenfeld were hellbent on the total destruction on Germany and the German people.

Churchill even said that the war was about the destroying the strength of the German people.

Get a copy of "War! War! War!" written under the pen name of Cincinnatus. Eustace Mullins wrote the foreword to the book.

You will find a real cornucopia of quotes by Churchill and key members of International Jewry which will put and end to any Talmudic/Hollywood lies that we have been force fed.

You will also see that it was the hidden hand of Talmudic Jewry which brought us Jew World War I as well.

How is it that any credible person ever identified those skinny folks in pictures as Jews? Who knows that they weren't Russians, British or Americans? What credible person verified where and when the pictures were actually taken? How many did anyone personally count?

Pro-Zionism is Satan worship — plain and simple. Gentiles defending or supporting Zionists (proselytes) were best described by the Master himself:

"Woe unto you, scribes and Pharisees, hypocrites! for ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves." Mt. 23:15

"...twofold more the child of hell" than even Zionist Jews? Is that even possible?

So far as I've ever seen, there's only two categories of people that shriek the words "anti-semitic" or "anti-semitism" - Jews and their proselytes, and they always misapply it or use it in hypocrisy.

Zionists (Jew or Goy) are the most evil anti-semites on the planet. They continually bear false witness against, steal from, torture and/or murder the one branch of the children of Sem (Shem) — true Semites — the Arabic people.

God bless Mr. Litoff and Brother Nate for exposing more Zionist lies, even though Mr. Litoff is mistaken that Chancelor Hitler "started a war."

Dear All -

Robert Litoff just e-mailed me and said I left out an important part of his Letter (which I did inadvertently due to the huge length of the Letter which dealt with myriads of topics.)

Here it is sectioned off with *** and I added it to the Article above as well:

*** "In employing a gas chamber for an execution of one person, (as it was once done in America), a method used was to have potassium nuggets dropped into sulfuric acid by a lever. This would result in the production of hydrogen cyanide which would kill the person being executed.

Before the doors of the gas chamber could be opened—post-execution—another gas, anhydrous ammonia, must be injected into the chamber to react with the poisonous gas to make it a less lethal resulting gas.

Even so, anhydrous ammonia being poisonous, it would react with the gas used and have to be scrubbed away. All of this would have been a long, dangerous, inefficient and toilsome task for the nazis to destroy 'millions' using gas chambers. ***

If Hitler wanted to kill as many Jews as he could, he would have had them shot by machine guns and automatic rifles. This would have been the least expensive and quickest way to commit mass murder. And, tragically, there were many mass murders in World War II by soldiers using machine guns and automatic rifles."

Alex

But as the brilliant people on this site said:

Adolf Hitler neither wanted or began WW2! This is why he and others in Europe hated the Jews so much.

It was they who agitated for that war in the Rothschild-owned British Empire, and the USA, not to mention their influence in Stalin’s system.

More factoids on the Holohoax. 36,000 personnel were involved in the Concentration Camp system. Only 6,000 were Germans! A mere fraction of the AXIS personal from ALL nations of Europe who served in the German Armed Forces.

See: HITLER’S MULTI ETHNIC ARMY — YOU TUBE. THE EPIC STORY OF THE WAFFEN SS-Degrelle — YOU TUBE. THE GREATEST STORY NEVER TOLD — YOU TUBE.

Of the 2.8 million Jews reported in Europe during WW2, 4.8 million asked for compensation afterward!

It would have taken Germany 65 years to ‘gas,’ and 35 to ‘cremate,’ 6 million people! The reported time of the‘Final Solution’ was supposed to have happened in 22 months!

In 1948, the INTERNATIONAL RED CROSS REPORT FOR WW2 STATED:

“Upon inspection of camps for interned enemy populations, no HOMICIDAL MACHINERY was FOUND.”

I'm glad you mentioned Estonian writer Juri Lina in your comment. I have the first of his two books, entitled UNDER THE SIGN OF THE SCORPION. It's this book in which he detailed the true horrors of Bolshevism in all its savagery.

I bought the book over ten years ago at a conference in Washington, DC. More people died under Communism than under any other form of tyranny in the history of mankind, over 145 million.

@Br. Nathanael

Thank you for publishing Robert Litoff's letter denouncing the Holohox.

I'm only disappointed with his statement that Hitler started WWII; when, in fact, World Jewry started it back in March, 1933, with their own declaration: "JUDEA DECLARES WAR ON GERMANY".

Other than that error, Dr. Litoff is spot on. He should be commended for speaking the truth about the Holohox; but, I doubt very much that Organized Jewry will ever do that; instead they'll denounce him as a "self-hating Jew".

In the meantime, I'm getting my donation out to you to help you continue your excellent work.

+BN has been under sever attacks, many times at Incogman.net and other sites. I have not told +BN and beaten those Jews down with my highly insensitive sledgehammer. 😏

My litmus test is very simple: Do he or she promote the Jews holohox BS?

+BN is the real deal. Case closed.

WW2 was started by Jews! Period.

What really happened in Russia a century ago, in 1917 was that the Jews stole the biggest
country in the world.

What really happened in Russia 1917 was that the Jews killed the whole Russian elite, all
police and the upper military brass. Then the Jews moved into their houses, hence replacing
the Russian elite with a Jew elite.

Once the Jews were in control of the Russian state, the rest was easy. The state central
bank and all "media," the whole propaganda machine was owned and controlled lock, stock
and barrel by Jews.

Who took control of the central bank in America the year 1913? The Jews. America 2014 is

At last, an honest Jew.

Well I shouldn't say that, if he was honest he would seek out his true Messiah in our Lord
Jesus Christ, but at least he truthfully says things I have been saying for quite some time.

The populations of Jews increased to their present numbers. I knew this, too, because if you
look at American Jew population numbers they point to the ominous 6 million as well, and Mr
Litoff states accurately that they went to various countries before, during, and after WWII.

Plus his explanation of Amerikan execution procedures (of which anyone should be familiar
with), show that guards would have been killed because gas doesn't discriminate, and they
had no airtight chamber unlike those in California, Colorado, Arizona or any other state that
has used lethal gas.

In short, the "Holocaust"(TM) is refuted soundly, but the Allies still have to answer the
defaths of 15 million German civilians, many Italian civilians, and millions of Japanese and
Asian civilians at their hands.

As was stated, it would have taken Hitler 65 years to gas Jews by this method. This task
would be finished in 2006, if you take 1941 (alleged year of the Wanasee Conference) and
add 65 years.

This myth is busted.

A very bad man in Amsterdam was trying to sell an evil book and he is going to be
prosecuted by the Dutch government.

The book offends a certain group of people, that has no power, is continually persecuted
and is just trying to live in peace.

These innocent people were accused in the book of running the media, owning large
financial institutions and using their influence to control the government.

If the Dutch government stops this man it will keep the Dutch people's thoughts from being

However, this does not go far enough. Some countries still allow their citizens to read this
book, in particular the United States of America. I urge the Dutch to implement sanctions

That was a well written article.
The US has arrested a Czech man that emigrated into the United States after WWII under the claim of being "the last living Nazi." This man is 89 years old and appears to be similar to Ernzt.
So while more and more people are reading the revisionists and even Jewish people such as Robert Lifoff, people are realizing that, yes, the war was horrible and it's just that simple. But these people created a fictional story and received millions and millions of dollars from Germany, who was the loser of the war.
So while people scream that Holocaust Deniers are denying true history, the "revisionists" are actually the National Historical Institute.

The above article reveals the real truth about the work camps, and that out of 1,000,000 SS members, only 400,000 were actually German, the rest, some 600,000, actually being volunteers from 30 different countries, of many different races, peoples and religions, including Sikhs, Hindus, Buddhists, Muslims, 150,000 Jews even, and other minorities, from Tibet, India, China, Japan and Africa (see 'Black Nazis', by Veronica Clarke).
National Socialism not only did not start the war, but also was not even racist. Sadly, Hitler identifying the Jews as the real racists against the entire world, became the target for their insane hatred.
58,000 Germans living in Poland were methodically butchered in the most vile manner possible, by Jewish-led mobs, with tacit approval from the Polish government, to goad Hitler into entering Poland to attempt to stop the murders, when all diplomatic approaches to Poland on that and other issues were inexplicably completely ignored by the Polish government.
WWII could begin for the excuse for Israel to be founded, and for scores of millions more Goyim to be slaughtered in a new Red Revolution, whilst Jews would again be stated to be the only real victims, after they, of course, started the whole thing, as usual.
And, of course, Jews were never really the victims at all, as in the case of the 100,000 supposed Jews at Babi Yar in Kiev, who were in reality 100,000 dead Christians murdered 20 years earlier by Jewish led Bolshevik forces.
This was, of course, a dishonest ploy to prevent any other slave nation ever again adopting any similar noble National Socialist principles, for fear of being similarly annhilated as a purported threat against the Jews.

The 'sacred' rabbinic commentary, the Zohar, states that when the Jewish Messiah comes, all Gentiles will be exterminated from the entire Earth and their souls sent to dwell in hell under the Angel Duma.

How Jews continue to dominate the world when this is their stated belief absolutely amazes me; too much fluoride I guess.

On the same hand, no chemical plants or pipelines to distribute fluoride were ever discovered in Germany after WWII to prove the lie that Hitler used fluoride on anyone at all, in camps or otherwise.

The only supposed 'proof' that he ever used it having been some say-so allegedly repeated verbally from one officer alone, that unsubstantiated allegation being subsequently stated merely on one page in one book, with no evidence whatever to back it up. But, we do know for certain who uses it today, and of it’s effects.

The Zionists were talking of a Holocaust and six million starving Jews in Europe at the very start of the 20th century.

If you google "six million starving Jews" you’ll see the six million figures has been being thrown around since 1900.

It’s all a ploy to play the injured party forever by the Zionists.

Peripheraly related to this discussion is Solzhenit'syn’s last work, "Two Hundred Years Together", which, as RJN family is aware, has been very tightly censored.

Like the Genie being let out of its captivity (the bottle), the chains that bind Solzhenit’syn’s final literary product need to be broken.

Just the name Solzhenitsyn will draw many millions to read "Two Hundred Years Together," if and when it is ever unleashed.

The authorities charged a retiree, 89 year old Johann Breyer, as complicit in the gassing of 216,000 Jews brought to Auschwitz in 1944 from Hungary, Czechoslovakia and Germany.

How can it be possible to charge a man for gassing Jews when it now seems clear that no gas chambers existed in any case??

The Holocaust” is the greatest lie ever told.

All in all a total 270.000 Jews died during ww2 in all camps. Red Cross document. 1.600 pages in all.

Solzhenitsyn’s last book before he died. And yes, it’s about the Jews that ruled Soviet.

My favorite holohax lie. The NAZIs masturbated the Jews to death. It’s true, a Jew said so! In Stolen Soul, Holstein talks about how Nazi doctors attempted to prove Aryan superiority by collecting Jewish semen with masturbing machines that often killed their subjects.
Quote...(page 117)
But we never gave in, not really; there was that one time just before liberation but other than that we were strong.
We would see the boys they put on those masturbing machines just drop, just die, right there in front of us. The absolute cruelty was beyond our belief.

Yes, beyond belief.

Idea...why not start a Campaign for the Goyim...a blitzkrieg!
As many as possible should post to as many sites as possible, all the factual statements that Jews made leading up to, during and after WWII where they state the world will to be guaranteed to them and how it will be accomplished.
Cite the resource and actual quote(s)- ie., old newsclips, newspapers, books, meetings, etc.
We need drastic measures. The days grow ever darker!
